

The Doors, Yes, The River Knows

Please believe me
The river told me
Very softly
Want you to hold me, ooo

Free fall flow, river flow
On and on it goes
Breath under water 'till the end
Free fall flow, river flow
On and on it goes
Breath under water 'till the end
Yes, the river knows

Please believe me
If you don't need me
I'm going, but I need a little time
I promised I would drown myself in mysticated wine

Please believe me
The river told me
Very softly
Want you to hold me, ooo

I'm going, but I need a little time
I promised I would drown myself in mysticated wine

Free fall flow, river flow
On and on it goes
Breath under water 'till the end
Free fall flow, river flow
On and on it goes
Breath under water 'till the end
