

The Dramatics, Whatcha See Is Whatcha Get

Some people are made of plastic
And you know some people are made of wood
Some people have hearts of stone
Some people are up to no good
But baby I'm for real
I'm as real as real can get
If what you're looking for is real loving
Then what you see is what you get

What you see is what you get
What you see is what you get
I said what you see is what you get now baby

And the real thing is the best thing yet
You know some people
Are made of lies to bring you down
And shame your name
But baby, I have good intentions
Cause breaking hearts just ain't my game
All I want to do is love you
And sugar I won't pin you with regret
If what you're looking for is real loving
Then what you see is what you get
