How ironic, all we used to do is traffic  
And it was ?drop me off at my girl's house?  
?At one o'clock, pick me back up?  
You know she gon? try to train a nigga  
Before I step up in the club  
Would've drove my own V  
She be tryna take a nigga keys

She know them hoes be on a nigga  
She ain't even tryna let a nigga leave  
You just wanna be around 'em, that's these bitches, she say  
Fuck them hoes, I'm just stuntin' with my niggas
