

The-Dream, Slow Down

When I tell you that I love you
You always need proof
But a good dude shouldn't have to
We got nothing to loose
Girl were to young to be worried about who to trust
You could be the one
We'll never know if your afraid to mess up

Slow down
Swear it's all in your head
Slow down
I ain't goin nowhere
See the thing about love is we think about it to much
Slow down
(take it slow, take it slow)
Slow down
(take it slow, take it slow)
Slow down

I hear your girlfriends
They be talking
Like they judge less of you
We got a good thing
Can you blame them
Cause I would be to
Girl were to young to be worried about who to trust
You could be the one
We'll never know if your afraid to mess up

Slow down
Swear it's all in your head
Slow down
I ain't goin nowhere
See the thing about love is we think about it to much
Slow down
(take it slow, take it slow)
Slow down
(take it slow, take it slow)
Slow down

I don't really wanna rush this love
Don't plan on letting it go
To good to ever wanna give up
I just wanna let you know
Take it slow baby let it go [x3]

Slow down
Swear it's all in your head
Slow down
I ain't goin nowhere
See the thing about love is we think about it to much
Slow down
(take it slow, take it slow)
Slow down
(take it slow, take it slow)
Slow down
