

# The Dresden Dolls, Mandy Goes To Med School

I've been feeling dull as a coat hanger  
Pretty as a picture of a patient on a fresh iv  
Giddy as a gangbanger with a set of sutures where his magic johnson ought to be

Yes i'll tell you just the thing you need to be the next big thing  
Let's start in with a test of your intelligence  
And zest for the counter-productive  
Up and down and roundabout and out the back  
And keep your mouth shut tight  
The lights are staying out but no sweat i've got aim like a mack truck  
Guess how many fingers ok guess how many more I can fit there  
Guess right get the toaster but you know, miss, guessing gets you nowhere

I've been baking cakes for the enemy  
I've been dying to find out the hard way  
I've been taking friends to the alleyway  
Two down now but who's counting anyway

Yes I can do everything you need from out of my new SUV  
All my work is guaranteed to last the length of your recovery  
Put away those pliers honey trust me cause I know the options  
How about a nine-month long vacation and a two-foot coffin

I've been getting up close and intimate  
Some close calls but I'm getting into it  
In some states they say you can burn for it  
But I'll burn that bridge when I get to it

It's not a bad thing  
To get professional  
It's got a nice ring  
Mandy goes to med school

I've been taking tips from the government  
I've been getting damn good at hiding it  
Fifty bucks a month ought to cover it  
Two down now but who's gonna notice it  
And if you show up and I am unavailable  
My partner Brian would love to take care of you

He is a nice man  
Thoroughly reliable  
He's in a rock band  
And he goes to med school
