

The Duprees, My Own True Love

My own true love
My own true love
At last I've found you
My own true love
No lips but yours
No arms but yours
Will ever lead me
Through heaven's doors
I roamed the Earth
In search of this
I knew I'd know you
Know you by your kiss
And by your kiss
You've shown true love
I'm yours forever
My own true love
My own true love
