

The Eagles, All Night Long

We get up early and we work all day
We put our time in 'cause we like to stay up
All night long
We keep on grinnin' till the weekend comes
Just a pinch between your cheek and gum
All night long, all night long
Start in the morning and get the job done
Take care of bus'ness and we have some fun
All night long, all night long
We like a long neck and a good old song
Turn it up and then we sing along
Sing along
We're all stayin' up all night long
All night long
All night long
All night long
All night long
