

# The Eagles, Lying Eyes

City girls just seem to find out early  
How to open doors with just a smile  
A rich old man and she wont have to worry  
shell dress up all in lace and go in style  
Late at night a big old house gets lonely  
I guess ev ry from of refuge has its price  
And it breaks her heart to think her love is only  
given to a man with hands as cold as ice  
So she tells him she must go out for the evening  
To comfort an old friend whos feeling down  
But he knows where shes goin as shes leavin`  
she is headed for the cheatin side of town  
You cant hide your lyin`eyes  
and your smile is a thin disguise  
I thought by now youd realize  
There aint no way to hide your lyin eyes  
She gets up and pours herself a strong one  
and stares out at the stars up in the sky  
Another night its gonna be a long one  
she draws the shade and hangs her head to cry  
On the other side of town a boy is waiting  
with fiery eyes and dreams no one could steal  
She drives on through the night antic ipating  
cause he makes her feel the way she used to feel  
She rushes to his arms, they fall together  
She whisper that its only for a while  
She swears that shell be coming back for ever  
She pulls away and leaves him with a smile
