

# The Echoing Green, Pray

Pray for me  
As you would a child  
In a land  
Of oppression

Millions  
Cry around the world  
But I cry  
In your back garden

Please pray for me  
And I'll pray for you  
Well, it's no revolution  
But it's something  
Something we can do

I'll pray  
Today  
Today  
Today  
Today

Pray for me  
As you do for peace  
In a world  
Of aggression

Hear me  
It must make the news  
For us to show  
Some affection

Please pray for me  
Like I pray for you  
Well, it's no revolution  
But it's something  
Something we can do

I'll pray  
Today  
Today  
Today  
Today  
Today  
Today  
Today
