

# The Emotions, Show Me How

I'm just a young girl  
Dying to learn the ways of love  
Just to please you  
You're the only someone I love  
Come on and teach me

There are so many things  
That I, I just don't know  
But I, I love you, love you, love you so  
So the thingd I don't know  
Show me how

I don't want to lose  
Someone sweet just like you  
For you make me feel like a queen  
I wanna make you feel like a king  
Show me how

You know i want you  
How bad I need you  
I want to kiss you right now

If I don't move you  
Wanna try to soothe you  
And darling please, show me how

There are so many things  
That I, I just don't know, oh  
But I, I love you, love you, love you so  
So the thingd I don't know  
Show me how

Show me, show me, show me  
Show me how  
Show me, show me, show me  
Show me how

Show me, show me, show me  
Show me how  
Show me, show me, show me
