

The Equals, Rub A Dub Dub

Saturday night and I'm sitting in a tub.
Got to see my baby
Rub a dub dub.
Need hot water running out

got to see my baby
scrub a scrub scrub.
Wait till late to see my baby

tonight's the night
that I'm going to ask her

got to smell sweet just like a rose.

Sitting in my tub
Rub a dub dub.
Sitting in my tub
scrub a scrub scrub.
Saturday night and I'm having a rub

Got to see ma baby
Rub a dub dub.
Need more soap I'm running out

got to see my baby
scrub a scrub scrub.
I wonder what will be the answer.
This is the first time
I'm going to ask her

Sitting here I won't know the answer

sitting in my tub
rub a dub dub.

Sitting in my tub
rub a dub dub.
sitting in my tub
scrub a scrub scrub.
Saturday night and I'm sitting in my tub.
Got to see my baby
Rub a dub dub.
Need hot water I'm running out

sitting in my tub
scrub a scrub scrub.
I wait till late to see my baby

tonight's the night that - that
I'm going to ask her

Got to smell sweet just like a rose

sitting in my tub
scrub a scrub scrub.
Come into my tub

said the spider to the fly

No thank you
replied the fly

don't really think

I need a rub.
