

# The Exploited, Dead Cities

I'm filled up with aggression  
Want to smash your television  
Saturday night you watch tv  
Saturday night does nothing for me  
Dead cities dead cities  
Dead cities dead cities  
See the man in the electric chair  
They beat him up and shave his hair  
There is no future to behold  
In the city of dead you'll be there  
Dead cities dead cities  
Dead cities dead cities  
I'm getting wasted in this city  
Those council houses are getting me down  
Go up town see whos there  
Theres nothing to do it's getting me down  
Dead cities dead cities  
Dead cities dead cities  
Snarling and gobbing and falling around  
I really enjoy the freedom ive found  
My mates besides me lying on the ground  
His ears are bursting with the volume of sound
