

The Exploited, Dead Cities

I'm filled up with aggression
Want to smash your television
Saturday night you watch tv
Saturday night does nothing for me
Dead cities dead cities
Dead cities dead cities
See the man in the electric chair
They beat him up and shave his hair
There is no future to behold
In the city of dead you'll be there
Dead cities dead cities
Dead cities dead cities
I'm getting wasted in this city
Those council houses are getting me down
Go up town see whos there
Theres nothing to do it's getting me down
Dead cities dead cities
Dead cities dead cities
Snarling and gobbing and falling around
I really enjoy the freedom ive found
My mates besides me lying on the ground
His ears are bursting with the volume of sound
