The Exploited, Don't Forget The Chaos

See those missiles in the air Where did they come from No One cares What are they there for What do they do They kill millions of people Like me and you

DEATH AND DESTRUCTION AND DON'T FORGET THE CHAOS [x4]

Death and destruction Anguish and tears

Nuclear fallout
And acid like rain
Why do we have them
What is their need
The government said 3

The government said That they are there to keep peace

The government said That the See those missiles in the air Where did they come from No One cares What are they threre for What do they do They kill millions of people
