The Fall, Hurricane Edward

(taped narrative): Awake at 5am Mr Hughes was right in retrospect He knew the climate I was a farm hand in Ross County Then he came The Hurricane (MES): This cleanliness won't take your brass Mr Greaves was right in retrospect He knew this climate I'm not an ordinary guy Am I? I held yellow thick ropes So died before him I was a farm hand Then came Hurricane Then came Hurricane Asleep at twelve thirty In cosy cots I get up early I plough the land Then came Hurricane My ears are rushed My ears are rushed There are characters in my brain Hurricane rushed Come at will (jeers) (Tommy): I was always awake from 5 am Mr Hughes was right in retrospect He knew this climate Ross County town Bank is closed Then come Hurricane
