

# The Fall, Immortality

You try and change it  
You try and arrange it  
You try and shape it  
But it's immortality, yeah  
It's immortality

You cannot change it  
Or rearrange it  
It's immortality

Immortality  
Immortality

That's where you're at, dear  
You're shedding your mentality  
But it's immortality  
And you cannot buy it  
You cannot put it in your pocket book  
You cannot put it in your BCI  
Don't try and shape it  
Cos it's immortality  
It's immortality, yeah  
Immortality, yeah

It's where you're at, yeah

Immortality  
Immortality

The Viking gods had it  
(Lord/Nord) Odin had it  
Don't try and change it  
Don't try and put it in your pock-book-et  
It's immortality  
It's immortality, yeah

And you cannot change it  
And you cannot rearrange it  
And you cannot shape it  
Cos it's reality, yeah  
It's immortality, yeah  
You cannot buy it  
And that's all you're gonna get  
From immortality  
Immortality
