

# The Fall, Last Chance To Turn Around

You gotta keep those wheels of mine  
Rolling and burning down the highway  
Last night that girl of mine left me yearning  
Best start learning to see things my way  
Hit me for the very first time  
And we're gonna turn around  
I'm leaving her love behind  
And getting out of town  
I won't back down  
I won't turn round  
From the last exit to Brooklyn  
Last chance to turn around  
Last exit to Brooklyn  
Gonna keep these old wheels going covering ground

Last night that girl of mine left me trying  
And lying she deceived me  
(I'll alter) all these tears with the wipers  
You'd better believe me  
She said she was mine alone  
But I know otherwise  
I thought she was mine alone  
I saw her with a guy  
I want her back  
It's all in the past  
That's why I'm last exit to Brooklyn  
Last chance to turn around  
Last exit to Brooklyn  
Last chance to turn around

She said she was mine alone  
Da da da da da da  
Da da da da da da da  
I saw her with a guy  
And that's the reason why  
I'll pass the last  
The last exit to Brooklyn  
The last chance to turn around
