

The Fall, Rollin' Dany

Well everybody's talking about the working man
Nobody's talking about Rollin' Dany
Rollin' Dany
He was the rollin' man

Well Dan walked into the old dancehall
Told the woman he loved 'em all
Two six women did a dance and crawl
And I'm-a telling ya man
This cat'd fool 'em all

Rollin' Dany
He was the rollin' man
Go!

And three four five six cats linked up against the wall
And m..m..m..mothers you dared the girls
But if you loved ya women and ya loved 'em right
Well I'm-a telling ya man
They were in for a fight

From Rollin' Dany
He was the rollin' man
Go!

Well everybody's talking about the working man
Nobody's talking about Rollin' Dany
Rollin' Dany
He was the rollin' man
