

The Fall, Rose

The scarecrow's down
I hope you are alright
I am alright

There's a letter marked 'urgent'
I have not yet read it
Rose
Rose

I hear you are in Hampstead
I hope you can get married
Rose
Rose

Hear that wah-wah going?
Remember you started it
Freckles
Rose

It is now all the rage
With the younger set
Your replacement
He is a good man Rose?
Rose

I've got a good woman
Sometimes
Rose
