

# The Fall, Terry Waite Sez

Terry Waite Sez  
Terry Waite Sez  
Terry Waite Sez  
Give us a ring, give us a ring kid  
Mister Big  
Sounding sour and frustrated  
With the pressure of his own life.

Terry Waite Sez  
Terry Waite Sez  
What are those trees  
Painted white jobs  
Silvered something  
Silvered something  
50 plus  
Out to heal provincial pus  
Let the real reverend walk  
He says and does

He plans but they won't let him in

Terry Waite Sez  
Terry Waite!
