

The Fashion, Solo Impala (Take The Money And

Stop the car and leave it running.
bad mistakes are waiting in the trunk
and Im sure that I could take the money and run
and leave you like youve left me all along
but thats not my style
(I could be right couldnt I?)
i-i-i-i-i could be ri-i-i-i-i-ight now couldn't i-i-i-i-i-i?)
Dont look back for a second now
Were not supposed to feel this way
but, God its so sweet of you
Stop the car and wait a minute
til the police stop chasing us around
Im so tired now
and youre tied in the backseat
but Im sure we will get outta this somehow
So lets split this town
Just take the money and run
Stop the car and wait a minute
til the police stop chasing us around
(take the money and run, just take the money and run)
Stop the car and wait a minute
til the police stop chasing us around
(take the money and run, just take the money and run)
Dont look back for a second now
Were not supposed to feel this way
but, God its so sweet of you
(God it's so sweet of you)
Dont look back for a second now
Were not supposed to feel this way
but, God its so sweet of you
(God t's so sweet of you)
