

The Feeling, Turn It Up

<Well I know
What you're after
It's a rock and roll disaster
Like you see
In the papers
That you read on escalators

Did you smile
'Cause you want it
Did I put my finger on it
It's a dream
'Til you've lived it
To receive you've got to give it

Don't say anything
You're talking but you don't say anything
You don't do anything
You're moving but you don't do anything

So turn it up (oh oh oh)
Turn it up (oh oh oh)
'Cause little love (oh oh oh)
Just ain't enough (oh oh oh)
Yeah turn it up (oh oh oh)
Turn it up (oh oh oh)
There ain't nobody wants to be alone
(oh oh oh)
(oh oh oh)
There ain't nobody wants to be alone

Did you notice
When you walked in to the office
With your cup
On a plastic tray
All the joys in life that have slipped away
Did you notice (notice, notice, notice, notice, notice)

Don't say anything
You're talking but you don't say anything
You don't do anything
Keep moving but you don't do anything

So turn it up (oh oh oh)
Turn it up (oh oh oh)
'Cause little love (oh oh oh)
Just ain't enough (oh oh oh)
Yeah turn it up (oh oh oh)
Turn it up (oh oh oh)
There ain't nobody wants to be alone

Turn it up (oh oh oh)
Turn it up (oh oh oh)
'Cause little love (oh oh oh)
Just ain't enough (oh oh oh)
Yeah turn it up (oh oh oh)
To big love (oh oh oh)

And when your heart is sinking like a stone
Ain't nobody wants to be alone

Don't say anything
Talking but you don't say anything
You don't do anything
Keep moving but you don't do anything

Yeah turn it up (oh oh oh)
Turn it up (oh oh oh)
'Cause little love (oh oh oh)
Just ain't enough (oh oh oh)
Turn it up (oh oh oh)
Turn it up (oh oh oh)
There ain't nobody wants to be alone

Turn it up (oh oh oh)
Turn it up (oh oh oh)
'Cause little love (oh oh oh)
Just ain't enough (oh oh oh)
Yeah turn it up (oh oh oh)
To big love (oh oh oh)

And when your heart is sinking like a stone
Ain't nobody wants to be alone>
