

The Firm, Fortune Hunter

just roll that wheel
everytime it spins and turns
someone gets there fingers burned

some you win and some you lose
but if it takes all night
im gonna pay my dues

you step out the door
you got to think once or twice
because walking the streets is like shooting dice

fortune hunter the fortune hunter life is a gambling game
fortune hunter for the fortune hunter life is just a gambling game

some you win and some you lose
but if it takes all night long
yes im gonna pay my dues

fortune hunter the fortune hunter rolling the dice again
fortune hunter the fortune hunter life is just a gambling game

some you win and some you lose
but if it takes all night long
yes im gonna pay my dues

with your head on my shoulder
i feel just a little bit bolder
there's something i got to tell you
i cant keep it inside no longer
can't keep it inside no longer
keep it inside no longer

fortune hunter the fortune hunter rolling the dice again
fortune hunter the fortune hunter life is just a gambling game

this wheel keeps turning
im gonna move again
but this life is burning and im playing to win
