The Flaming Lips, After The Goldrush

Well, I dreamed I saw the knights In armor coming, Saying something about a queen. There were peasants singing and Drummers drumming And the archer split the tree. There was a fanfare blowing To the sun That was floating on the breeze. Look at Mother Nature on the run In the nineteen seventies. Look at Mother Nature on the run In the nineteen seventies.

I was lying in a burned out basement With the full moon in my eyes. I was hoping for replacement When the sun burst thru the sky. There was a band playing in my head And I felt like getting high. I was thinking about what a Friend had said I was hoping it was a lie. Thinking about what a Friend had said I was hoping it was a lie.

Well, I dreamed I saw the silver
Space ships flying
In the yellow haze of the sun,
There were children crying
And colors flying
All around the chosen ones.
All in a dream, all in a dream
The loading had begun.
They were flying Mother Nature's
Silver seed to a new home in the sun.
Flying Mother Nature's
Silver seed to a new home.
