The Flys, Afraid

i'm here
out here
i'm sifting through the pieces of your life
and i know
all of your fears
i know that you will on day be my wife
be my wife
yeah yeah yeah

are you now or have you ever been afraid oh are you now or have you ever been afraid been afraid

i know your face i cannot seem to get you off my mind and i see all of your fears i know that one day you will be my wife kick it

are you now or have you ever been afraid oh are you now or have you ever been afraid been afraid

i see your face and i know all of your fears
