

The Fold, The Title Track

It doesn't work that way, you've seen enough to know better
Better recalculate it, this time use your heart and not your mind
Maybe you just don't get it, and you've worked too hard to throw it all away
Maybe you're just not ready baby, to start over again

Set set set, now you're ready to go
You couldn't make it better if it never belonged
You can take your time, figure it out
This is a call to all the pain (this too shall pass)

We'll find a brand new way, you've seen enough to do better
When you recalculate it, darling use your heart
Maybe you just don't get it, and you've worked too hard to throw it all away
Maybe you're just not willing baby, to start over again

Set set set, now you're ready to go
You couldn't make it better if it never belonged
You can take your time, figure it out
This is a call to all the pain (this too shall pass)

It's funny how we starve for our salvation, maybe it was right in front of you
Searching in the strangest of all places, maybe it was there beside you
Know that this will pass

All dressed up and you're ready to go
You couldn't make it better if it never belonged
You can take your time, figure it out
I can't take away the pain but it will pass, this too shall pass

Set set set, now you're ready to go
You couldn't make it better if it never belonged
You can take your time, figure it out
This is a call to all the pain (this too shall pass)

Set set set, now you're ready to go (woah)
You can take your time, make it last
This is a call to all the pain (this too shall pass)
