

# The Fray, Vienna (from Movement EP)

(Slade) the days last one-way ticket train pulls in  
we smile for the casual closure capturing  
here comes the downpour  
there goes my fare thee well  
theres really no way to reach me  
cause im already gone  
theres only so many words that we could say  
spoken upon long-distance melody  
this is my hello  
this is my goodness  
theres really no way to reach me  
cause im already gone  
maybe in five or ten yours and mine will meet again  
straighten this whole thing out  
maybe then honesty need not be feared as a friend or an enemy  
but this is the distance  
and this is my gameface  
theres really no way to reach me  
'cause Im already gone  
so this is your maverick  
and this is vienna
