

The Fray, You find me

I found God on the corner of First in Amistad
where the west was all but one.
All alone,
smoking his last cigarette,
I said "where you been?"
He said, "ask anything."
Where were you
when everything was falling apart?
All my days,
spent by the telephone.
that never rang.
All i needed was a call
that never came.
The corner of First and Amistad...
Lost and insecure,
You found me, you found me
Lying on the floor,
surrounded, surrounded.
Why'd you have to wait?
Where were you? Where were you?
just a little late...
You found me, you found me
In the end,
everyone ends up alone.
Losing her,
the only one who's ever known
who i am, who im not, and who i wanna be.
no way to know
how long she will be next to me...
Lost and insecure,
You found me, you found me.
Lying on the floor,
surrounded, surrounded.
why'd you have to wait?
Where were you? Where were you?
Just a little late,
You found me, you found me.
Early morning,
city breaks.
I've been calling
for years and years and years and years.
and you never left me no messages;
never sent me no letters;
you've got some kind of nerve
taking all of our world.
Lost and insecure,
You found me, you found me
Lying on the floor,
Where were you? Where were you?
Lost and insecure,
You found me, you found me.
lying on the floor,
surrounded, surrounded.
Why'd you have to wait?
Where were you? Where were you?
Just a little late,
you found me, you found me.
Why'd you have to wait,
To find me?
To find me?
