

The Game, I'm A King

(50 Cent)

I never said anything, I never take anything back

(Lloyd Banks)

Well you kinda heard me speaking

"You ain't a crip like Snoop, you ain't a blood like Game"

And i was speaking on Game without knowing him

but now, you know alot of these dudes jump in the game

and they rap artists, and that's exactly what they is

but they not what they say they are when they rap it

(T.I.)

Everybody wanna be the king of the south when,

they ain't runnin the damn thing with they mouth

no doubt, it's all good, y'all just stay in y'all opinions

but in the South and in the hood it's understood without saying

it's a given, and it ain't cause what i'm doin for a livin'

it's more because of what i'm doin how i'm livin

not to mention when i'm rappin, i'm just hurtin niggas feelings

And still chillin on somethin that's into healing

Man, permissions from the Click to continue to keep it pimpin'

but while the crack was in the house, the record sale went thru the ceiling

so say what you want, and do what you please

but for fun i shoot 22's from your shoes to your knees

i run a record label and a crew of G's

so niggas'll come and look for you if you sneeze

or even breathe the wrong way

you better do what the song say and be easy, else it'll be a long day

I'm a king - bank rolls in the pockets of my jeans

I'm a king - you pussy niggaz couldn't see me in your dreams

I'm a king - top topic of all of your magazines

I'm a king - head of the body, leader of the team

I'm a king - remember I can get your block knocked off

I'm a king - a Bentley coupe with the top chopped off

I'm a king - I'm connectin nationwide but in the South

I'm a king - just respect it and keep my name out'cha mouth

(The Game)

Everybody wanna be the King of the West

but, they ain't runnin the damn thing in the West

that's to bad, it's all good, they just speakin they minds

stand on top of the Hollywood sign, you can see that it's mine

I'd rather die, motherfucker, than give up my throne

my crown is a Dodger fitted, California's my home

and it's known when the drama pop off, i bring the chrome

so nigga leave me alone, 'fore i start living my songs

i made a killin drug dealin, some people say i'm a villain

went from choppin' in the house, to the top of rap gettin millions

so watch your mouth, unless you ready to bleed

cause to me, murderin wack mc's is somethin like a disease

top down in the Impala, so i can ride in the breeze

and where i'm from, niggas throwin up B's and C's

so make a turn the wrong way, think about what the song say

and be easy, else it'll be a long day

I'm a king - bank rolls in the pockets of my jeans

I'm a king - you pussy niggaz couldn't see me in your dreams

I'm a king - top topic of all of your magazines

I'm a king - head of the body, leader of the team

I'm a king - remember I can get your block knocked off

I'm a king - a Bentley coupe with the top chopped off

I'm a king - I'm connectin nationwide but in the West

I'm a king - disrespect it i hit your brains with the tech

Keep your eyes off my throne and your hands off my crown
or get your ass layed back,
