The Georgia Satellites, Red Light

Yeah my baby called up said I done made her mad she's takin' me off for everything that I had ran out of town and now she's come back got Van Halen wailin' on the stereo eight track watch out baby that's what I said there's a red light, road block, bridge out ahead

here she comes in town runnin' lickety split runnin' red lights the girl's mad as shit comin' in town on some slippery road ninety miles an hour gonna get my goat tack started readin' in the double red there's a red light, road block, bridge out ahead

Well she came up to Jack's bridge but that bridge wasn't there she stomped the 'cellerator jumped right up in the air tires was whinin' you could hear 'em sing that Firebird flew like it just grew wings landed in my yard and she's totin' lead there's a red light, road block, bridge out ahead

Well my baby called me ukp said I done made her mad she's takin' me off for everything that I had ran out of town and now she's come back got Van Halen wailin' on the stereo eight track watch out baby that's what I said there's a red light, road block, bridge out ahead.
