

# The Go-Go's, Beautiful

My life is ever so perfect  
My life has been a bed of roses  
And you might think I'm crazy  
So what if I am  
My head is full of good things  
Enough for everyone

Beautiful  
Is all I see when I look at me  
Beautiful  
Every mother's dream  
Day by day  
Things just keep getting prettier (so pretty)  
Beautiful  
What a wonderful life

My life is really quite simple  
My life is just what I make it  
I think you think I'm seeing  
Only things I want to see  
The truth is that I'm being  
Who I wanna be

Beautiful  
Is all I see when I look at me  
Beautiful  
Every mother's dream  
Day by day  
Things just keep getting prettier (so pretty)  
Beautiful  
What a wonderful  
A wonderful  
A wonderful life

Let me have my own world  
Come in live in my world  
Let me have my own world  
Come in live in my world  
Beautiful  
Is all I see when I look at me  
Beautiful  
Every mother's dream  
Day by day  
Things just keep getting prettier (so pretty)  
Beautiful  
What a wonderful life  
Beautiful  
Things keep getting prettier  
Beautiful  
Things keep getting prettier (so pretty)
