

# The Go-Go's, Lust To Love

It used to be fun was in  
The capture and kill  
In another place and time  
I did it all for thrills

Love me and I'll leave you  
I told you at the start  
I had no idea that you  
Would tear my world apart

And you're the one to blame  
I used to know my name  
But I've lost control of the game  
'Cause even though I set the rules  
You've got me acting like a fool  
When I see you I lose my cool

Lust to love  
Was the last thing I was dreaming of  
And now all I want is just to love  
Lust turned to love

That was when the fun was in  
The capture and the kill  
In another place and time  
I did it all for thrills

Love me and I'll leave you  
I told you at the start  
I had no idea that you  
Would tear my world apart
