

# The Go-Go's, Stuck In My Car

Written by Caffey/Wiedlin/Stuart

Somewhere the sun is shining  
Somewhere the moon is rising  
I'm sitting here  
Somewhere someone is laughing  
Somewhere something is happening  
I'm dying here  
Let's go Let's go

STUCK IN MY CAR TRYING TO GET TO YOU  
STUCK IN MY CAR NOTHING I CAN DO  
TURN THE RADIO UP AND SCREAM ALONG  
STUCK IN MY CAR STUCK IN MY CAR

Slow motion disaster  
Wish I could go faster  
I'm standing still  
I know the world is spinning  
But it never brings me any  
Closer, closer to you  
Let's go, let's go

STUCK IN MY CAR TRYING TO GET TO YOU  
STUCK IN MY CAR NOTHING I CAN DO  
TURN THE RADIO UP AND SCREAM ALONG  
STUCK IN MY CAR STUCK IN MY CAR  
COME ON COME ON

Oooh get me out of here  
Oooh I gotta go I gotta go  
I gotta go
