

The Goo Goo Dolls, Burnin' Up

Said you're burnin up inside, no one seems to tell
You're living from a personalized manual from hell
Life seems pretty easy when it's from my easy chair
And you're burnin up inside and no one cares

Said you had enough this time cause time don't treat you well
You always cried coincidence while I drew parallels
Life it seems so easy when it's from my easy chair
And you're burnin up inside and you hurt me

Come and take my hand tonight I'll show you where to start
Cause every word that left your lips like a needle through my heart
And life it seems so easy when it's from my easy chair
And you're burnin'up inside and you hurt my eyes
