

# The Goo Goo Dolls, On Your Side

I'm on a mission baby  
I'm not hearing what you're saying  
Stop preaching at me now  
I'm not a revelation  
Superstar or new sensation  
I'm just hiding away my frowns

We don't see eye to eye  
I'm on your side  
With a smile and a sigh  
I'm on your side

Five a.m. I shut my eyes  
Then my worries tranquilized  
Don't think the morning comes too soon  
If I don't see the morning  
That's ok they're pretty boring  
See you tomorrow afternoon

We don't see eye to eye  
I'm on your side  
With a smile and a sigh  
I'm on your side

You're living in a trailer  
Friends all think that you're a failure  
But are you thinking for yourself  
You read the Sunday paper  
Wife's pissed off 'cause you ain't laid her  
Rolling pennies for your wealth  
Me too. . .

We don't see eye to eye  
I'm on your side  
With a smile and a sigh  
I'm on your side  
I'm on your side
