

# The Goo Goo Dolls, Sex Maggot

Well I was hanging around the railway station  
My mind was in the state of total degradation  
Little boy blue came and blew his horn now  
Scared those cows right out of the corn now  
I hear you screaming but you can't come in  
Cause I know, that you're just a sex maggot!

Mommy and daddy used to play this game now  
Told me boys and girls are really all the same now  
I don't know the difference at the age of twenty one  
used to watch my parent do it yuck yuck i want to sex u up  
fuck fuck  
Who's telling me I don't like anyone

I hear you screaming but you can't come in  
Cause I know, that you're just a sex maggot
