

# The Goo Goo Dolls, Slide

Could you whisper in my ear  
The things you wanna feel  
I'll give you anything  
To feel it comin'  
Do you wake up on your own  
And wonder where you are  
You live with all your faults

I wanna wake up where you are  
I won't say anything at all  
So why don't you slide

Yeah we're gonna let it slide

Don't you love the life you'd kill?  
The priest is on the phone  
Your father hit the wall  
Your ma disowned you  
Don't suppose I'll ever know  
What it means to be a man  
If there's something I can't change  
I'll live around it

I wanna wake up where you are  
I won't say anything at all  
So why don't you slide  
Umm, slide

And I'll do anything you ever dreamed to be complete  
Little pieces of the nothing that fall  
Oh May, put your arms around me  
What you feel is what you are  
And what you are is beautiful  
Oh May, do you wanna get married  
Or run away

And I'll do anything you ever dreamed to be complete  
Little pieces of the nothing that fall  
Oh May, put your arms around me  
What you feel is what you are  
And what you are is beautiful  
Oh May, do you wanna get married  
Or run away

I wanna wake up where you are  
I won't say anything  
Yeah, slide

And I'll do anything you ever dreamed to be complete  
Little pieces of the nothing that fall

And I'll do anything you ever dreamed to be complete  
Little pieces of the nothing that fall

Oh May, why don't you slide into my room  
Just slide into my room and we'll run away, run away, run away
