

# The Goo Goo Dolls, Smash

Hey. . .what are ya thinkin'  
I tried to read your face  
Say. . .say what you're thinkin'  
Don't carry round that pain

Everytime I see you . . . pickin' at yourself  
I love . . . I love when things work out

Smash. . .I heard ya cryin'  
Seven times this year  
Crash. . .cause now you're smilin'  
Holdin' back those tears

Everytime i see you pickin' at yourself  
I love . . . I love when things work out  
Everytime I see you torturin' yourself  
I love . . . I love when things work out

And I see it from another place right now  
I'm comin' home before I hit the ground  
Right back where I want to be right now

Smash  
And I feel it  
Smash  
And I feel it  
Smash  
And I feel it  
were i am now
