

# The Goo Goo Dolls, So Outta Line

I heard the floor creak or so I thought  
I had my head rubbing on the ceiling  
They say that indecision makes one weak  
My indecision's suddenly been deepened

One day ain't forever  
You'll find your time  
You look outside it's snow  
Been snow so long you know  
Just feel like lettin go  
So outta line

You've worked so hard for everything you've got  
Ten minutes later you're a loser  
Count your blessings and the ones you love  
At this point we beggars can't be choosers

One day ain't forever  
You'll find your time  
You look outside it's snow  
Been snow so long you know  
Just feel like lettin go  
So outta line

One day ain't forever  
You'll find your time  
You look outside it's snow  
Been snow so long you know  
Just feel like lettin go  
So outta line

One day ain't forever
