

# The Goo Goo Dolls, We Are The Normal

It's a beautiful day I heard everybody say  
The sun shines down for all of us  
Just the same you know I like the rain  
That ain't so obvious  
It's a beautiful sight I guess everybody's right  
This day belongs to all of us  
Even still I like with a chill  
That ain't so obvious

We are the normal  
We live and we die  
With no reason why

It's a beautiful life and I've got it in my sights  
And that ain't for all of us  
It's a beautiful sound  
My life comes crashing down  
That ain't so obvious  
It's a beautiful sin and I'm doing it again  
And that ain't for all of us  
It's a beautiful life and I've got it in my sights  
Ain't that so obvious

We are the normal  
We live and we die  
With no reason why
