

# The Goo Goo Dolls, What Do You Need?

What do you need from me tonight?  
I feel you look right through me now  
I can't pretend it's all right  
Maybe we'll find a way somehow  
Why do we need to turn it on?  
Why does it always feel so wrong?

[Chorus]  
What do you need from me tonight?  
The truth is so complicated now  
You feel so free to say  
You're wrong, you're wrong  
You're wrong, you're wrong

Fear makes you fragile darlin'  
Hate is so heavy when you're weak  
Now we're both lost in anger  
When we're alone we'll find some peace  
Why do we need to turn it on?  
Why does it always seem so wrong?

What do you need from me tonight?  
The truth is so complicated now  
You feel so free to say  
You're wrong, you're wrong  
You're wrong, you're wrong  
You're wrong, you're wrong  
You're wrong, you're wrong

Why do we need to turn it on?  
Why does it always seem so wrong?

[Chorus]

[Chorus]

You're wrong, you're wrong  
You're wrong, you're wrong  
You're wrong, you're wrong  
You're wrong, you're wrong  
You're wrong, you're wrong

Why do we need to turn it on?  
Why does it always seem so wrong?
