

The Gutter Twins, The Body

Breathe-
Wake your lungs-
I'm falling fast, no air will come-
I think I've gone too far this time
I crashed the car-
I crossed the line-
Scream-
No one home-
No more Light-
No more me-
Comes the day
Call my number-
Sight unseen, I am your brother
Waste not for those who don't want it
What I want is tres verboten
Sleep-
Close my eyes-
Wake the Ghost
Shake the Lie
Shake the Lie
Shake the Lie
Unchain Time
Unchain Time
So long-
I have begun to set the Sun
I'll rise again to catch the Dawn
So sorry that I had to run, so-
Dream
Close your eyes
I was done-
You're alive
You're alive
You're alive
You're alive
You're alive
