

# The Hives, Abra Cadaver

Ah, know what's wrong with me? (Aye!)  
I got no vision see (Aye!)  
I was the target of a notion of submission see (Aye!)  
Oh yeah they needed me (Aye!)  
Yeah I was the target see (Aye!)  
They tried to stick a dead body inside of me (Aye!)

I need no need no alibi  
Honestly, I tell no lies  
Wanted to stick an office worker inside of me  
But I kept breaking free (Aye!)  
They could not capture me (Aye!)  
I pulled maneuvers that were closer to savage see (Aye!)

Bad! Bad!  
They tried to stick a dead body inside of me  
Bad! Bad!  
Come again, I tell no lies

So now you understand (Aye!)  
I was a wanted man (Aye!)  
The opposition and the bug of a shiny hand (Aye!)  
But ah, no this I see: (Aye!)  
There's nothing wrong with me (Aye!)  
There's no deadbeat regime rider inside of me (Aye!)

I need no need no alibi  
Honestly, I tell no lies  
Tried to stick an office worker inside of me  
I need no need no alibi  
Honestly, I tell no lies  
Wanted nothing stuck in me

Bad! Bad!  
They tried to stick a dead body inside of me  
Bad! Bad!  
Wanted nothing stuck in me
