

The Hives, Go Right Ahead

go right ahead /4x
go, go, go,
go right ahead

down the streets in a ufo
find a bull and you grab the horns
go right ahead
spin your head up at the day you were born

go right ahead /5x
go, go, go,
go right ahead

here's a secret keep it tight
it's california late at night
go right ahead
we're gonna drink, fuck and fight all night
go right ahead /5x
go

you should turn around, you never know
soldiers come along
i wanna show you
our god is a sinner, our king is a god
the room's about to crumble as i go to the phone
go right ahead /3x
you gotta ? when you go out to your head

go right ahead /2x
go, go, go
go right ahead

like a tiger taking out of the sewer
go right ahead
do anything that you wanna do
go right ahead /5x
go

you should turn around, you never know
soldiers come along
i wanna show you
our god is a sinner, our king is a god
the room's about to crumble as i go to the phone

go right a
go right ahead /7x

down the streets in a ufo
find a bull and you grab the horns
go right ahead
spin your head up at the day you were born

go right ahead /6x
