The Hives, The Hives - Introduce The Metric Syst

Been tryin' for all my life But I can't add up your subtraction Work, eat, play then go to sleap Is gonna give me no satisfaction

Gotta find a way out, yeah A way out of this mess So sick of tryin' to end my time last and ending up with less

Know your way of doing things And it lost it's attraction My supply is 24 And I can add a hundred fractions

Who'd knew I'd be the one Pulling of the perfect crime So here's my new line I'll change your mind and the metric system of time

Caused trouble all over town And it's bound to start a reaction Metric time will come around It's gonna overtake your contraction

I'll find a way out, yeah A way out of this mess I made my time last And it's, total success Got my way of doing things And it's bound to gain your attraction 100 hours is my supply It's gonna give us all satisfaction

No doubt I'll be the one Pulling of the perfect crime So here's my new line I'll change my mind and the metric system of time
