

The Hole, Celebrity Skin

Oh, make me over
Im all I want to be
A walking study
In demonology
Hey, so glad you could make it
Yeah, now you really made it
Hey, so glad you could make it now
Oh, look at my face
My name is might have been
My name is never was
My names forgotten
Hey, so glad you could make it
Yeah, now you really made it
Hey, theres only us left now
When I wake up in my makeup
Its too early for that dress
Wilted and faded somewhere in hollywood
Im glad I came here
With your pound of flesh
No second billing cause youre a star now
Oh, cinderella
They arent sluts like you
Beautiful garbage beautiful dresses
Can you stand up or will you just fall down
You better watch out
What you wish for
It better be worth it
So much to die for
Hey, so glad you could make it
Yeah, now you really made it
Hey, theres only us left now
When I wake up in my makeup
Have you ever felt so used up as this?
Its all so sugarless
Hooker/waitress/model/actress
Oh, just go nameless
Honeysuckle, shes full of poison
She obliterated everything she kissed
Now shes fading
Somewhere in hollywood
Im glad I came here
With your pound of flesh
You want a part of me
Well, Im not selling cheap
No, Im not selling cheap
