

# The Hoosiers, Money To Be Made

Put up your barricades  
There's money to be made  
Continue your charade  
Money to be made

What you're asking for  
Means the world to me  
You draw close as you  
Whisper precisely  
Precisely

Your safety is assured  
Behind those eggshell walls of yours  
Your safety is assured  
Behind those eggshell walls of yours

Friends and family  
Fly by on wings of faith  
Faithlessly I  
Don't recognise a face  
Not a single face

Take this  
Sorry soul  
Made enough  
Of a mess  
On my own  
On my own

Put up your barricades  
There's money to be made
