

# The Human League, Shameless

I never thought I'd have the nerve / To break from the conventional / I never  
thought my path would curve / And lead to sin intentional / The heaven that you  
take me to / Is really just a darker place / I knew that if I fell for you / I  
really had to fall from grace / From the moment that you held me / I'd  
forgotten wrong and right / From the second that you touched me / Was a  
creature of the night / Made a folly out of caution / Made all virtue seem  
bizarre / Through a mirror of distortion / Watching coldy from afar / Oh,  
shameless, oh / Oh, shameless, oh / And how could such a fate befall / A person  
of such principles / From never doing wrong at all / To scandal inconceivable /  
I'm pounding at the gates of hell / Impatient for the journey in / I'll face  
the fury at your side / So let the tragedy begin / From the moment that you  
held me / I'd forgotten wrong and right / From the second that you touched me /  
Was a creature of the night / Made a folly out of caution / Made all virtue  
seem bizarre / Through a mirror of distortion / Watching coldy from afar / Oh,  
shameless, oh / For the touch of your hand / Oh, shameless, oh / Let them  
misunderstand / Just the touch of your hand / Oh, shameless, oh / And they  
misunderstan
