

The Internet, Curse

Baby, you make me believe I could fall in love at first
Sight, how you stopped me with your
Body, I'm under your curse
Baby, I'm under your curse
Baby, I'm under your curse

Babe, baby, you're my lady
My baby, you know all the tricks (?)
You're my darlin', sweet thing
Love is such a sweet thing
Maybe we should try it out
See what love is all about

Baby, you make me believe I can fall in love at first
Sight, how you stopped me with your
Body, I'm under your curse
Baby, I'm under your curse
Baby, I'm under your curse

My baby, my
Gotta curse on me, baby
My baby, my baby
My, my, my, my

Baby, you make me believe I can fall in love at first
Sight, how you stopped me with your
Body, I'm under your curse
(Don't worry darling)
Baby I'm under your curse
(You know I'd try, but theres something about you)
Baby I'm under your curse
(Maybe, maybe it's all meant to be)
Baby I'm under your curse
(Maybe not, i don't know)
Baby I'm under your curse
