## The Internet, Curse

Baby, you make me believe I could fall in love at first Sight, how you stopped me with your Body, I'm under your curse Baby, I'm under your curse Baby, I'm under your curse

Babe, baby, you're my lady My baby, you know all the tricks (?) You're my darlin', sweet thing Love is such a sweet thing Maybe we should try it out See what love is all about

Baby, you make me believe I can fall in love at first Sight, how you stopped me with your Body, I'm under your curse Baby, I'm under your curse Baby, I'm under your curse

My baby, my Gotta curse on me, baby My baby, my baby My, my, my, my

Baby, you make me believe I can fall in love at first Sight, how you stopped me with your Body, I'm under your curse (Don't worry darling) Baby I'm under your curse (You know I'd try, but theres something about you) Baby I'm under your curse (Maybe, maybe it's all meant to be) Baby I'm under your curse (Maybe not, i don't know) Baby I'm under your curse
